

KONAS IX

HIFERI

9th National Congress of
The Indonesian Association of Reproductive Endocrinology and Fertility

*Empowering Reproductive Endocrinology and Infertility Clinicians:
Dedicated to Care, Driven by Innovation, Defined by Success.*

 October 8th - 11th 2026

 Holiday Inn, Pasteur, Bandung

**FIRST
ANNOUNCEMENT**

hiferi2026.org

EXECUTIVE SUMMARY

National Congress of the Indonesian Society of Reproductive Endocrinology and Fertility (Kongres Nasional Himpunan Endokrinologi Reproduksi dan Fertilitas Indonesia — KONAS HIFERI) represents the most prestigious scientific gathering of reproductive endocrinology and fertility specialists in Indonesia. Organized by the Indonesian Society of Reproductive Endocrinology and Fertility (HIFERI), this quadrennial congress serves as a premier platform for advancing knowledge, fostering collaboration, and shaping the future of reproductive healthcare in Indonesia.

The Indonesian Society of Reproductive Endocrinology and Fertility (HIFERI) is the premier professional organization that unites Obstetricians and Gynecologists specializing in Reproductive Endocrinology and Fertility across Indonesia. HIFERI is dedicated to promoting excellence in reproductive endocrinology and fertility through continuous professional development, scientific advancement, community engagement, ethical practice, and a strong commitment to improving public health.

Held every 4 years and hosted by different centers across the country, KONAS IX HIFERI 2026 will be proudly organized in Bandung. The congress serves as a dynamic forum for exchanging ideas, sharing best practices, and exploring innovative solutions to improve reproductive health outcomes.

The key objectives of KONAS HIFERI include:

Advancing Scientific Knowledge

Showcasing the latest breakthroughs, technologies, and evidence-based practices in reproductive endocrinology, infertility management, assisted reproductive technologies (ART), fertility preservation, reproductive genetics, and women's reproductive health.

Enhancing Professional Excellence and Ethics

Strengthening clinical competencies, promoting ethical medical practice, and supporting the professional development of HIFERI members to ensure the highest standards of reproductive healthcare delivery.

Supporting National Reproductive Health Initiatives

Facilitating multidisciplinary collaboration and strategic discussions aimed at addressing reproductive health challenges and contributing to the development of national healthcare policies and programs.

Building Strong Professional Networks

Providing a valuable opportunity for fellowship and collaboration among fertility and reproductive endocrinology subspecialists from across Indonesia and abroad, fostering partnerships that will drive innovation and improve patient outcomes.

As Indonesia continues to face evolving reproductive health challenges, KONAS IX HIFERI serves not only as a scientific congress but also as a catalyst for innovation, collaboration, and leadership in reproductive medicine.

Through its comprehensive scientific program, networking opportunities, and collaborative initiatives, KONAS IX HIFERI 2026 is expected to become a landmark event that strengthens professional excellence, inspires innovation, and advances the shared mission of helping individuals and families achieve their reproductive aspirations.

WELCOME MESSAGE

Dear Esteemed Colleagues and Friends,

It is with great pleasure, gratitude, and pride that we warmly invite you to attend The 9th National Congress of the Indonesian Society of Reproductive Endocrinology and Fertility (Kongres Nasional IX Himpunan Endokrinologi Reproduksi dan Fertilitas Indonesia - KONAS IX HIFERI), which will be held in Bandung, 8-11 October 2026.

This congress reflects our shared commitment to strengthening clinical excellence, fostering collaboration, and advancing innovation in the field of reproductive endocrinology and fertility—two disciplines of increasing importance in addressing the evolving challenges of reproductive health care today.

Bandung, a city celebrated for its academic spirit, creativity, and cultural charm, offers the perfect setting for this important gathering. More than a scientific meeting, KONAS IX HIFERI will be a moment of connection, inspiration, and fellowship among HIFERI members and colleagues from across Indonesia and beyond.

We have carefully designed the congress to provide a meaningful and high-impact scientific experience:

- October 8-9, 2026 - Pre-Congress Workshops: Interactive hands-on workshops led by distinguished experts, offering practical learning and skill enhancement in key areas of reproductive medicine
- October 10-11, 2026 - Main Congress & Scientific Symposium: A dynamic programme featuring national and international speakers, scientific discussions, evidence-based updates, and the exchange of valuable clinical experiences.

Your presence will mean far more than attendance—it will represent an important contribution to the continued growth of reproductive endocrinology and fertility practice in Indonesia. We believe that gatherings such as this are essential to bridging scientific progress with compassionate, high-quality patient care.

We sincerely look forward to welcoming you to Bandung. Further information regarding registration, scientific programmes, and accommodation will be announced in due course.

Thank you for your support, enthusiasm, and dedication.

Until we meet in Bandung, October 2026.

Warm regards

**Ruswana
Anwar,**
MD (OG-REI), Ph.D

Chairman,
9th National Congress of the Indonesian
Association of Reproductive Endocrinology
and Fertility (HIFERI) 2026

WELCOME MESSAGE

Dear colleagues, friends, and distinguished guests,

It is with immense pride that I welcome you to The 9th National Congress of the Indonesian Society of Reproductive Endocrinology and Fertility (Kongres Nasional IX Himpunan Endokrinologi Reproduksi dan Fertilitas Indonesia - KONAS IX HIFERI), to be held in Bandung, 8–11 October 2026.

HIFERI has long stood as the professional home for those who dedicate their expertise to reproductive health — a field that sits at the intersection of science, compassion, and hope. Every two years, our national congress reaffirms this commitment: it is an occasion not merely to exchange knowledge, but to renew our collective resolve to serve patients with the highest standard of evidence-based care.

The landscape of reproductive endocrinology and fertility medicine continues to evolve at a remarkable pace. Advances in assisted reproduction, endocrine diagnostics, and personalized treatment have opened new frontiers — and with them, new responsibilities. KONAS IX is our society's answer to this moment: a curated programme of hands-on workshops and a scientific symposium designed to translate the latest evidence into clinical practice.

I am deeply grateful to the organizing committee for their dedication in bringing this congress to life. Bandung has long been a city of learning and innovation, and I have every confidence that the warmth of its welcome will match the excellence of the scientific programme ahead.

To our members, partners, and invited guests — your presence gives this congress its meaning. It is your engagement, your questions, and your willingness to collaborate that transform a scientific meeting into a true community of practice.

I look forward to seeing each of you in Bandung this October.

Warm regards,

Professor.
**Wiryawan
Permadi,**
MD(OG-REI), Ph.D

President, Indonesian
Association of Reproductive
Endocrinology and Fertility

GENERAL INFORMATION

Event name:

Kongres Nasional IX Himpunan Endokrinologi Reproduksi dan Fertilitas Indonesia 2026
9th National Congress of The Indonesian Association of Reproductive Endocrinology and Fertility (HIFERI)

Theme:

Empowering Reproductive Endocrinology and Infertility Clinicians: Dedicated to Care, Driven by Innovation, Defined by Success.

Date:

October 8th & 9th, 2026 (workshops), October 10th & 11th, 2026 (symposium & exhibition),

Venue:

Hotel Holiday Inn Bandung
Jl. Dr. Djunjunan No. 96, Pasteur, Bandung 40162

Target audience:

Obstetrics and gynecology specialist, infertility and reproductive endocrinologi subspecialist, fellow in infertility, fellow in endoscopy in reproductive endocrinology and infertility, general practitioners, fertility nurses and midwives, medical students, undergraduates.

Accreditation : Indonesian Ministry of Health

Language : Indonesian & English

Organize by:

HIFERI Cabang Jawa Barat

Address:

Department of Obstetrics and Gynecology Maternal and Child Health Center
RSUP dr. Hasan Sadikin Bandung, Jalan Pasteur 38 Bandung 40161
Secretary Ms. Agistina +6281322377800

Medical Conference Organizer

PT. PHARMA-PRO INTERNATIONAL

Jl. Gajah Mada 3 - 5, Jakarta 10130

Phone : +62 - 21 6386 9502

Contact Person : Ms. Silvia (+62816995230)
Ms. Isma (+6285215510055)

Email : hiferi2026@pharma-pro.com

Website : www.hiferi2026.org

IMPORTANT DATES

**Friday
July 31st 2026**

Deadline for Early Bird
Registration

**Monday,
August 31st 2026**

Deadline for Abstracts
Submission

**Thursday & Friday,
October 8th & 9th
2026**

Workshops

**Saturday,
October 10th 2026**

Opening Ceremony

**Saturday &
Sunday, October
10th & 11th 2026**

Symposium

**Saturday &
Sunday, October
10th & 11th 2026**

Exhibition Show Days

**Friday,
October 9th 2026**

HIFERI Meeting

**Saturday,
October 10th 2026**

Faculty Dinner

**Sunday,
October 11th 2026**

Closing Ceremony

FACULTY MEMBERS

International Faculties

- 1 Prof. Ani Amelia Zainuddin (MALAYSIA)
- 2 Dr. Punkavee Tuntiviriyapun (THAILAND)
- 3 Dr. Shoukhrat Mitalipov (USA)

National Faculties

- 1 Prof. Dr. dr. Andon Hestiantoro, Sp. OG., Subsp. FER., MPH
- 2 Prof. Dr. Budi Santoso, dr., Sp. OG., Subsp. F.E.R.
- 3 Prof. Dr. dr. Budi Wiweko, Sp. OG., Subsp. FER, MPH, FRANZCOG (Hons), FICRM
- 4 Prof. Dr. dr. Hendy Hendarto, Sp. OG., Subsp. FER
- 5 Prof. Dr. dr. Muhammad Fidel Ganis Siregar, M.Ked(OG), Sp. O.G, Subsp. F.E.R
- 6 Prof. Dr. dr. Muharam Natadisastra, Sp. O.G, Subsp. F.E.R., MPH
- 7 Prof. Dr. dr. Nusratuddin Abdullah, Sp. OG., Subsp. FER., MARS., M.Kes
- 8 Prof. Dr. dr. Soegiharto Soebijanto, Sp. OG., Subsp. FER.
- 9 Prof. Dr. dr. Wachyu Hadisaputra, Sp. OG., Subsp. FER
- 10 Prof. Dr. dr. Wiryawan Permadi, Sp. OG., Subsp. FER
- 11 Prof. Dr. dr. Tono Djuwantono, Sp. OG., Subsp. FER., M.Kes
- 12 Dr. dr. Achmad Kemal Harzif, Sp. OG, Subsp. FER
- 13 Dr. dr. Agus Supriyadi, Sp. OG, Subsp. FER, M.Kes, MPH
- 14 Dr. dr. Anita Rachmawati, Sp. OG., Subsp. FER
- 15 Dr. dr. Arie Adrianus Polim, Msc, DMAS, Sp. O.G., Subsp. FER

National Faculties

- 16 Dr. dr. Ashon Sa'adi, Sp. OG., Subsp. FER
- 17 Dr. dr. Abdurahman Laqif, Sp. OG., Subsp. FER
- 18 Dr. dr. Anom Suardika, Sp. OG., Subsp. FER
- 19 Dr. dr. Binarwan Halim, M.Ked (OG), Sp. OG., Subsp. FER., FICS
- 20 Dr. dr. Christofani Ekapatria, Sp. OG., Subsp. FER
- 21 Dr. dr. Hanom Husni Syam, Sp. OG., Subsp. FER., M.Kes
- 22 Dr. dr. Hartanto Bayuaji, Sp. OG., Subsp. FER
- 23 Dr. dr. Hari Soekersi, Sp. Rad., Subsp. PRP(K)
- 24 Dr. dr. Hermanus Suhartono Sp. OG., Subsp. FER
- 25 Dr. dr. Hilma Putri Lubis, M.Ked (OG), Sp. OG., Subsp. FE
- 26 Dr. dr. Gita Pratama, Sp. O.G, Subsp. FER., M.Rep. Sc
- 27 Dr. dr. I Wayan Arsana Wiyasa, Sp. OG., Subsp. FER
- 28 Dr. dr. Ida Bagus Putra Adnyana, Sp. OG, Subsp. FER
- 29 Dr. dr. Inu Mulyantoro, Sp. OG, Subsp. FER, D.MAS"
- 30 Dr. dr. Jimmy Yanuar Annas, dr, Sp. OG., Subsp. FER"
- 31 Dr. dr. Kms Yusuf Effendi, Sp. OG., Subsp. FER.
- 32 Dr. dr. Kanadi Sumapradja, Sp. O.G, Subsp. F.E.R., M.Sc

TOPICS

Workshops

- Road to infertility fellowship: The Complete Infertility Masterclass - From Basic to Advanced
- Navigating the New Era of Menopause: From Novel Therapeutics and Alternative Modalities to Strategies for Mitigating Long-Term Health Risks
- The Contraceptive Conundrum: Mastering Individualization, Harnessing Therapeutic Power, and Preparing for Tomorrow's Challenges
- Reproductive Gynecology Ultrasound: Focused on Endometriosis & Adenomyosis Mapping
- A to Z of In Vitro Fertilization in Daily Practice
- Road to endoscopy fellowship: A to Z Office and Operative Hysteroscopy
- The Complete Uterine Architect: Blueprinting Your Hysteroscopic Surgery with Advanced Ultrasound
- The Uterine Renaissance: Mastering Radiofrequency for Fibroids, Adenomyosis, and Fertility Preservation

Keynote Lecture

- Building the Next Generation of Reproductive Endocrinologists in the Era of Emerging Reproductive Trends
- Transforming Reproductive Health Service in Indonesia: Innovation, Equity, and Sustainable Fertility Care
- Redefining Reproductive Endocrinology: From Molecular Insights to Personalized Reproductive Health Outcomes
- When RCTs Aren't Enough: Understanding the Power of Real-World Data in Modern subfertility Clinical Practice
- Adenomyosis and Endometriosis: Shared Roots, Divergent Pathways
- Artificial Intelligence in Reproductive Medicine: Advancing Innovation While Preserving Professional Integrity
- Advances in Gametogenesis: Implications for the Future of Reproductive Medicine
- Borderless IVF: Clinical Reality, Ethical Boundaries, and Demographic Imperatives

Symposium

- New insight in Frozen Embryo Transfer Protocol
- Metabolic Dysfunction in the Menopausal Transition and the management
- Fertility Preservation: The need is prominent
- Endometriosis as a systemic disease
- The Fertility Journey as a Continuum: Linking Ovarian Reserve, Endometrial Health, and Embryo Competence
- Contraception in the context of Sustainable Reproductive and Metabolic Health in Modern Women
- Endometrial Healing in Asherman Syndrome: Stem Cells, PRP, and Regenerative Medicine Approaches
- Obesity in Reproductive Medicine: Mechanisms, Risks, and Clinical Strategies
- Advance in technology in fertility treatment (Ultrasound, MRI, RFA)
- Treating PCOS Today: Evidence-Based Strategies Across Reproductive Stages
- Endometriosis and Fertility: Lift or Left?
- Debate: PPOS yes or no
- Chronic Endometritis and the Endometrial Microbiome: The Silent Inflammation
- Not All Bleeding Is the Same: Rethinking AUB Diagnosis
- DSD update
- Conservative and Radical Approaches in Adenomyosis Surgery
- Whats new in ESHRE recommendation in Ovarian Stimulation
- The best management for Recurrent Pregnancy Loss

PROGRAM SCHEDULE

I. WORKSHOP

Thursday – Friday, 8–9 October 2026

08.00 - 16.00 Workshop Road to infertility fellowship: The Complete Infertility Masterclass – From Basic to Advanced

Thursday, 8 October 2026

08.00 - 16.00 Workshop Navigating the New Era of Menopause: From Novel Therapeutics and Alternative Modalities to Strategies for Mitigating Long-Term Health Risks

08.00 - 16.00 Workshop The Contraceptive Conundrum: Mastering Individualization, Harnessing Therapeutic Power, and Preparing for Tomorrow's Challenges

08.00 - 16.00 WS Reproductive Gynecology Ultrasound: Focused on Endometriosis & Adenomyosis Mapping

Friday, 9 October 2026

08.00 - 16.00 Workshop A to Z of In Vitro Fertilization in Daily Practice

08.00 - 16.00 Road to endoscopy fellowship: A to Z Office and Operative Hysteroscopy

08.00 - 16.00 Workshop The Complete Uterine Architect: Blueprinting Your Hysteroscopic Surgery with Advanced Ultrasound

08.00 - 16.00 Workshop The Uterine Renaissance: Mastering Radiofrequency for Fibroids, Adenomyosis, and Fertility Preservation

PROGRAM SCHEDULE

II. Symposium

Saturday, October 10 th , 2026			
06.30 - 07.00	Registration		
07.00 - 07.05	Opening by MC (Prosesi Kehadiran Guru Besar)		
07.05 - 07.10	UNPAD Choir : "INDONESIA RAYA"; "MARS POGI"; and "MARS HIFERI"		
07.10 - 07.15	Opening Inauguration Ceremony by Head of HIFERI Prof. Dr. dr. Wiryawan Permadi, Sp.O.G, Subsp.F.E.R		
07.15 - 07.35	PAST HIFERI President's Lecture (Keynote Lecture 1 / Opening Keynote) : "Building the Next Generation of Reproductive Endocrinologists in the Era of Emerging Reproductive Trends" Prof. Dr. dr. Wiryawan Permadi, SP.OG., Subsp. FER		
07.35 - 08.05	Introduction & Acceptance of New HIFERI Members Prof. Dr. dr. Wiryawan Permadi, Sp.O.G, Subsp.F.E.R (Head Of HIFERI)		
08.05 - 08.15	Awards Ceremony by Head of Education HIFERI Dr. dr. Hartanto Bayuaji, Sp.O.G, Subsp.F.E.R		
08.15 - 08.25	Inauguration of the New HIFERI Board Member Prof. Dr. dr. Wiryawan Permadi, Sp.O.G, Subsp.F.E.R (Head Of HIFERI)		
08.25 - 08.30	Closing Inauguration Ceremony		
08.30 - 08.40	OPENING CEREMONY : Traditional Dance (Sisingaan)		
08.40 - 08.45	Welcome Speech Committee Chairman: Dr. dr. Ruswana Anwar, Sp.OG., Subsp. FER., M.Kes (Committee Report)		
08.45 - 08.50	Welcome Speech New Head of HIFERI		
08.50 - 08.55	Welcome Speech Head of PP POGI: Prof. Dr. dr. Budi Wiweko, SpOG, Subsp. FER, MPH, FRANZCOG (Hons), FICRM		
08.55 - 09.05	Opening Speech and Official Opening of KONAS HIFERI IX dr. Benjamin Paulus Octavianus, Sp.P, FISR (Wakil Menteri Kesehatan) / Gubernur		
09.05 - 09.25	Keynote Speech: "Transforming Reproductive Health Service in Indonesia : Innovation, Equity, and Sustainable Fertility Care" dr. Benjamin Paulus Octavianus, Sp.P, FISR (Wakil Menteri Kesehatan RI)		
09.25 - 09.35	COFFEE BREAK : EXHIBITION OPENING & POSTER SESSION		
09.35 - 09.55	Keynote Lecture 2 (Clinical Keynote) : "Redefining Reproductive Endocrinology: From Molecular Insights to Personalized Reproductive Health Outcomes" Prof. Dr. dr. Budi Wiweko, SpOG, Subsp. FER, MPH, FRANZCOG (Hons), FICRM		
09.55 - 10.15	Keynote Lecture 3 (Translational Keynote) : "When RCTs Aren't Enough: Understanding the Power of Real-World Data in Modern subfertility Clinical Practice" Dr. Punkavee Tuntiviriyapun (THAILAND)"		
10.15 - 10.35	Keynote Lecture 4 (Disease Update Keynote) : "Adenomyosis and Endometriosis: Shared Roots, Divergent Pathways" Dr. dr. Ruswana Anwar, Sp. OG, Subsp. FER., M.Kes		
10.35 - 11.30	LOMBA CERDAS CERMAT SP2 TRAINEE PIC :		
11.30 - 11.45	BREAK AND ROOM SETUP		
11.45 - 12.35	Lunch Symposium 1	Lunch Symposium 2	Lunch Symposium 3

Note: The scientific schedule is provisional and may be adjusted as required.

PROGRAM SCHEDULE

Saturday, October 10th, 2026

12.35 - 13.00 PRAYER BREAK

	BALLROOM 1	BALLROOM 2	BALLROOM 3	MEETING ROOM
13.00 - 14.15	New insight in Frozen Embryo Transfer Protocol Moderator: Prof. Dr. dr. Soegiharto Soebijanto, Sp.OG., Subsp. FER.	Metabolic Dysfunction in the Menopausal Transition and the management Moderator: Prof. Dr. dr. Muhammad Fidel Ganis Siregar, M.Ked(OG), Sp.O.G, Subsp.F.E.R	Fertility Preservation : The need is prominent Moderator: dr. Steven Aristida, Subsp. FER, FICS	ORAL PRESENTATION
	Natural, Modified Natural, and Novel Endometrial Preparation Strategies: Is 'Physiologic' FET the New Standard? dr. Moh Aerul Chakra Alibasya, Sp.OG., Subsp. FER	Clinical Identification and Stratification of Metabolic Risk in Menopause Dr. dr. Anom Suardika, Sp.OG., Subsp.FER	Ovarian Tissue Cryopreservation and Transplantation - Where Are We Now? Dr. dr. Achmad Kemal Harzif, Sp.OG, Subsp. FER	
	Beyond Hormones: Endometrial Immune, Vascular, and Adjunct Therapies in FET Cycles Dr. dr. Gita Pratama, Sp. O.G, Subsp. FER., M.Rep.Sc	Lifestyle, Non-Hormonal Interventions, and Hormonal Therapy in Menopause Dr. dr. Sutrisno, Sp.O.G, Subsp.F.E.R	Urgent Preservation for Patients Facing Gonadotoxic Therapy dr. Mila Maidarti, Sp. O.G, Subsp. F.E.R., Ph.D	
	Obstetric and Perinatal Outcomes after Different FET Protocols dr. Aida Riyanti, Sp. O.G, Subsp. F.E.R., M.Rep.Sc	Current management in Osteoporosis Prof. Dr. dr. Muharam Natadisastra, Sp.O.G, Subsp.F.E.R., MPH	Fertility Preservation in Non-Oncologic and "Social" Indications dr. Agung Dewanto, Sp.OG., Subsp. FER., PhD	
14.15 - 15.30	Endometriosis as a systemic disease Moderator: Prof. Dr. Budi Santoso, dr., Sp.OG., Subsp.F.E.R.	The Fertility Journey as a Continuum: Linking Ovarian Reserve, Endometrial Health, and Embryo Competence Moderator: dr. Imelda Elvira B. Hutagaol, Sp.OG., Subsp.FER	Contraception in the context of Sustainable Reproductive and Metabolic Health in Modern Women Moderator: Dr.dr. Kms Yusuf Effendi, SpOG., Subsp. FER.	ORAL PRESENTATION
	Endometriosis as a Systemic Disease: Current Guidelines, Pathophysiology, and Multisystem Implications Dr. dr. Achmad Kemal Harzif, Sp.OG, Subsp. FER	Mapping the Fertility Lifespan - From Ovarian Reserve to Reproductive Potential dr. Harianto Wijaya, SpOG, Subsp.FER, DMAS	Contraception in Patients with Metabolic Risk: Between Effectiveness and Safety Dr. dr. Binarwan Halim, M.Ked (OG), SpOG., Subsp. FER., FICS	
	Managing Endometriosis in Daily Clinical Practice: Real-World Cases and Systemic Manifestations Dr. dr. Hartanto Bayuaji, Sp.OG., Subsp. FER	Oocyte Quality, Embryo Competence, and Advanced Maternal Age Dr. dr. Arie Adrianus Polim, Msc, DMAS, Sp.O.G., Subsp. FER	Non-contraceptive benefits of hormonal contraception: Managing dysmenorrhea, PCOS, and Endometriosis dr. Aidrus Abdul Muthalib, Sp.OG, Subsp.FER	
	The Role of Vitamin D3 as an Adjuvant Therapy in Women's Health: Focus on Endometriosis as a Systemic Disease Dr. dr. Syarief Thaufik Hidayat, M.Si.GC, Sp.OG, Subsp. F.E.R., D.MAS	Synchrony Between Embryo and Endometrium - Where Failures Occur dr. Yassin Yanuar Mohammad, Sp. O.G, Subsp.FER, M.Sc	Integrating Contraception into fertility Preservation and Reproductive Life Planning Dr. dr. M. Oky Prabudi, M.Ked(OG), Sp.O.G, Subsp. FER	

Note: The scientific schedule is provisional and may be adjusted as required.

PROGRAM SCHEDULE

Saturday, October 10th, 2026

	Endometrial Healing in Asherman Syndrome: Stem Cells, PRP, and Regenerative Medicine Approaches Moderator: Prof. Dr. dr. Tono Djuwantonono, Sp.OG., Subsp.FER., M.Kes	Obesity in Reproductive Medicine: Mechanisms, Risks, and Clinical Strategies Moderator: Prof. Dr. dr. Hendy Hendarto, Sp.OG., Subsp. FER	Advance in technology in fertility treatment (Ultrasound, MRI, RFA) Moderator: Prof. Dr. dr. Nusratuddin Abdullah, Sp.OG., Subsp. FER., MARS., M.Kes
15.30 - 16.45	Biology and molecular pathway; and Imaging, Biomarkers, and NonInvasive Assessment of Endometrial Injury, Fibrosis, and Regeneration in Asherman Syndrome dr. Fridya Wulandari, Sp.OG., Subsp. FER	Mechanistic Links Between Obesity and Female Reproduction dr. Ray Christy Barus, MKed(OG), SpOG., Subsp. FER	Advanced Ultrasound in the Fertility Workup and ART Cycle Management Dr. dr. Ashon Sa'adi, Sp.OG., Subsp. FER
	Clinical Stem Cell-Based Therapies in Asherman Syndrome and Thin Endometrium dr. Mila Maidarti, Sp. O.G., Subsp. FER., Ph.D	Obesity, PCOS, and Subfertility - A Double Burden Dr. dr. Anita Rachmawati, Sp.OG., Subsp. FER	ImageGuided Radiofrequency Ablation (RFA) of Fibroids in Women Desiring Fertility dr. Doddy Budi Laksana Sutanto, M.Kes, SpOG, Subsp. FER
	PlateletRich Plasma (PRP) and Biologic Adjuncts for Endometrial Healing dr. Dedy Hendry, Sp.O.G., Subsp.FER	Preconception Optimization - Lifestyle, Pharmacotherapy, and Bariatric Surgery for Obesity dr. Rina Nulianti, Sp.O.G., Subsp.F.E.R.	MRI as a ProblemSolving Tool in Complex Infertility caused by Endometriosis/ Adenomyosis Dr. dr. Hari Soekersi, Sp.Rad., Subsp. PRP(K)

ORAL PRESENTATION

CLOSING DAY 1

18.30 - 21.00 **FACULTY / GALA DINNER**

PROGRAM SCHEDULE

Sunday, October 11th, 2026

08.00 - 08.30	Registration			
08.30 - 08.50	Keynote Lecture 5 (Beyond Technology): “Artificial Intelligence in Reproductive Medicine: Advancing Innovation While Preserving Professional Integrity”			
	Dr. dr. Achmad Kemal Harzif, Sp.OG, Subsp. FER			
08.50 - 09.10	Keynote Lecture 6 (Frontier science): “Advances in Gametogenesis: Implications for the Future of Reproductive Medicine”			
	Dr. Shoukhrat Mitalipov (USA)			
09.10 - 09.30	Keynote Lecture 7 (Ethical / Closing Keynote): “Borderless IVF: Clinical Reality, Ethical Boundaries, and Demographic Imperatives”			
	Prof. Dr. dr. Hendy Hendarto, Sp.OG., Subsp. FER			
09.30 - 10.00	BREAK AND ROOM SETUP			
10.00 - 10.50	Commercial Symposium 1	Commercial Symposium 2	Commercial Symposium 3	
10.50 - 11.40	Lunch Symposium 1	Lunch Symposium 2	Lunch Symposium 3	
11.40 - 12.10	PRAYER BREAK			
12.10 - 13.25	BALLROOM 1	BALLROOM 2	BALLROOM 3	MEETING ROOM
	Treating PCOS Today: Evidence-Based Strategies Across Reproductive Stages Moderator: Dr. dr. I Wayan Arsana Wiyasa, Sp.OG., Subsp. FER	Endometriosis and Fertility : Lift or Left? Moderator: Dr. dr. Abdurahman Laqif, Sp. OG., Subsp. FER	Debate: PPOS yes or no Moderator: Dr. dr. Ida Bagus Putra Adnyana, Sp.OG, Subsp. FER	ORAL PRESENTATION
